Profile

I like to call myself an interaction enthusiast. I believe Paul Rand when he said 'Design is Everything'. To add to that, I believe an experience provides by a well thought out Design means everything.
I'm a fan of simplicity within user centered design and modern design and innovation.

Experience

Shift Solutions Brand Strategy and Planning intern

Worked integrating with brands team and creative team to come up with suitable strategies for varies client brands.
Jan 2020 - May 2020

Freelance Designer

I designed logos, brand guides, and social media contents for multiple clients by working remotely for various clients. and i did some projects as a video editor.
2019 - Present
